Cafetiere List - **£2.45**

High/French Roast:

High Continental (*a strong but smooth coffee*)

Mediterranean (*a rich, solid flavour with a smooth aftertaste and only a hint of bitterness*)

Dark Roast:

El Jaguar Mexican (*a spicy, cinnamon, dark chocolate aroma with a round body, vanilla flavour and tangerine notes and the sweetness of brown sugar and caramel*)

Colombian (*a mild acidity and heavy body, with a syrupy feel and cocoa and burnt toffee notes on the finish. This dark roast produces a smooth, dark coffee*)

Costa Rica (*a tangy, spicy edge to the brew and the dark roast certainly enhances the full body and excellent aroma of this bean*)

Medium Roast:

John Watt 1865 (*a smooth blend with a medium body and a nutty aftertaste*)

Costa Rica Honey (*this medium roast enhances the full body and excellent aroma of this bean, the citrus acidity and a nutty aftertaste that Costa Rican coffee is renowned for*)

Nicaraguan (*a sweet aroma with citrus tones, a bright medium acidity and a well-rounded cup*)

Extra shot of Coffee – 50p (flavoured shots available)
